To whom it may concern,

RE: SABBATH OBSERVANCE-MICAH LEOTA

I write to confirm that Micah Leota has been a member in good standing of our congregation for nine years. As a Seventh-day Adventist, Micah observes the Sabbath from sundown on Friday until sundown on Saturday. He and his family attend our Friday evening and Saturday (Sabbath) services, where he also assists with the children's programme and community meals.

For Micah, the hours from Friday sundown to Saturday sundown are devoted to worship, rest and family, and he does not undertake paid work during that time. Weekday and Sunday scheduling is entirely workable for him.

Micah is a reliable and hard-working man who is keen to take up the work-experience placement offered to him. We simply ask that any scheduling accommodate the Sabbath hours noted above.

Please contact me if any further confirmation would help.

Yours faithfully,

Pastor E. Tavita
